

**Project Title: Cyber Skills**

**Acronym: CySkill**

**Ref. Number: 2021-1-CZ01-KA210-ADU-000035011**

### Project aim:

The objectives of the project are to equip adult educators with the skills they will need to help their students (especially those from unprivileged groups such as the unemployed and young women) to improve their digital skills, increase brand awareness and find employment in today's increasingly digital world, while ensuring that their students remain safe online.

### The project target groups are:

- ✓ Adults Trainers
- ✓ Adult Learners
- ✓ Trainers in general

### Activities:

The CySkill project foresees three Activities will take place during the project lifetime:

- **1<sup>st</sup> Activity:** The basics of ICT and Social Media, in Italy
- **2<sup>nd</sup> Activity:** Online behavior and well-being, in Greece
- **3<sup>rd</sup> Activity:** Online Marketing Strategies, in France
